4-storey building with 6500 m2 of banking called "ATM Building" located in Linda-a-Pastora

The ATM Building is located in a consolidated urban area, in Linda-a-Pastora, Queijas, in the West Corridor.
It has excellent road access, being very close to the A5, with quick access to Lisbon and Cascais and CREL, also providing privileged connections with the northern motorways.
With approximately 6,500 square meters of above-ground construction area, the Building consists of a ground floor and 4 more floors above ground with a circular plan.
The ground floor is occupied by two warehouses with external access for loading and unloading.
The Building corresponds to one of the five independent units of a condominium, specifically Fraction D, and is assigned the exclusive use of 31 parking spaces located inside Fraction E, in addition to the 54 parking spaces available on the 1st floor and which is accessed by a ramp located at the north entrance.
